Dear Members

It's that time of year when membership renewals are upon us, please note the following:

- If you are keeping the same type of membership, then you need to renew online as per the instructions below.
 - As per ACTA
For those of you who wish to get in early, 1 November is the date on which you can re-join the ACTA for 2023. You will be pleased to know that membership fees have been frozen again, (the 4th year in a row). **This will include a new electronic membership card (smart phone enabled).**
 - The process for update the club fees are as follows

Open your internet

- *Go to mypage.claytarget.com.au*
- *Log in*
 - *User ID is your Membership number (you will find this on the front of your ACTA book)*
 - *Password – this is the password you set up this account with last year (if you're not sure what it is click on forgotten password and a new one will be emailed to you straight away)*
- *My details – Check that these are correct – Please fill in the emergency contact (the person you want contacted if you have an accident)*
- *Renew membership – Next, Next, enter your Credit Card Details, Next, Take Payment, Receipt (you can print this)*

For those of you who want to change the type of membership or don't have a computer you will need to fill out the membership form that is attached to this email, fill it in with the following costs and send it to me. Either post to PO Box 1361, Nowra NSW 2541 or drop it into me at home 4 Barbata Grove, Sth Nowra. Ring first to make sure I'm home.

- As of 01/01/2022 your handicap books will no longer be needed. MyClubMyScores (MCMS) is an online scoring program that will be used for every competition Australia wide, this program will sort your grade
- Due to the MCMS and all club shoots being run through this program all recreational membership will now need to shoot Targets Only. Therefore, you will not be in the running for

the daily sash and prizes. Sorry but we've always included you with the program we've used but now I cannot run two programs each shoot so if you wish to shoot competition you will need to change your membership to FULL, VETERANS or PARTNER.

- As per ACTA

Recently we had an inquiry with regard to the Recreational Membership category. This membership category entitles the member to shoot Practice / Targets Only at ALL affiliated ACTA Clubs but does not allow members of this category to nominate for club, Zone State or National competition events. This does still permit individuals to attend a competition event BUT they can only register on the day by way of shooting "Targets Only"

- Please be aware of age changes as well. If you want to move from Full to Veterans. You do have the choice. Or if you move from Junior to Full

If you require any further information, please email me at 'sctcandssc@gmail.com'
